

To the owner of Coach House, Chelmsford Mews

Hello,

We are James & Jess from Gardeners Cottage, Chelmsford Mews.

We noticed that a “Coach House use only” sign has recently been put up in the parking space that we have been using for the past few years, with permission from the management company at the time.

Because of this, we’ve reverted to using our originally allocated space in front of the Coach House. We know this spot isn’t ideal and certainly don’t want to block or inconvenience anyone, but we’re trying to manage things as best we can while we work towards a more permanent solution.

We’re currently trying to get in touch with the owners of the Chelmsford Mews development to sort out a suitable permanent parking space. If you happen to have their contact details and can help with this, we’d really appreciate it.

We’re keeping a record of communications here:
